---

---

---

---

---

---

---

---

3. Are the central concepts clear? Does the author effectively explain himself/herself?

---

---

---

---

---

---

---

---

4. What evidence is provided to prove these points? Is it effective?

---

---

---

---

---

---

---

5. Is the author's language/style/expression clear? Explain.

---

---

---

---

---

---

---

6. Assess the article's strengths and weaknesses.
